

Spreading community spirit – Happiness Hubs 2024 grants is relaunched - PCP is calling for applications for organisations to offer a safe space and activities for local people to meet, make friends, talk and feel supported, with the ultimate goal to help communities live happier, healthier lives.

We are particularly keen to hear from those organisations that wish to develop Happiness Hubs facilitated during the evening and/or over the weekend that aim to provide safe spaces for local people to meet, make friends, talk and feel supported. The ultimate goal is to help people to live happier, healthier lives, focusing on mental health, with the aim to promote mental wellbeing and personal resilience.

Grants of between £500 and £7,500 are available for projects we can fund for minimum of 12 - 18 months in County Durham.

Happiness Hub Development Officer, Jane Cunningham, is available to help you with your application.
